SUB: Exam-Oriented Counseling Class

Dear Students and Parents,

As the Class 10 board exams approach, we understand the importance of providing guidance and support to ensure our students feel confident and prepared. To this end, we are organizing a mandatory Exam-Oriented Counseling Class on February 2nd.

This session will focus on equipping students with valuable strategies, tips, and resources to excel in their upcoming board exams. Our experienced faculty members will conduct interactive sessions aimed at addressing exam-related stress, time management techniques, subject-specific guidance, and effective study strategies.

Attendance for all students is compulsory as we believe this session will greatly benefit their exam preparation and overall performance.

Parents are encouraged to reinforce the importance of attendance and actively support their child's participation in this crucial session.

Let's work together to ensure our students are well-prepared and confident as they approach this significant milestone in their academic journey.

Best Regards,

Rev. Sr. Ancy Joseph S H

Principal
