Circular No.C-28/Mbos/2024-25

Date: 10TH APR ,2024

SUB: CBSE Science Challenge 2024-25

Dear Students and Parents,

Science is inexplicably linked with our lives and helps us to understand the world around us better. By engaging with this subject, students learn to think, solve problems and make informed decisions. As an initiative to generate curiosity, enquiry and higher order thinking amongst the learners, the Board is organizing the **CBSE Science Challenge for students of classes 8th to 10th**.

This challenge shall be available on CBSE platform in the months of April - May, 2024. The theme of the CBSE Science Challenge is Science, Environment and Sustainability.

Details of the CBSE Science Challenge

- The challenge would be conducted through **two rounds** – within school, and inter school.
- There is **No Fee** for participating students at either of the two stages of this enrichment activity.
- All students of classes 8 to 10 in CBSE affiliated schools are eligible to participate in Round One (first stage). For Round Two (second stage), each affiliated school registered in the first stage can nominate earlier registered 6 students (best 02 students from each participating class).
- The Science challenge paper would comprise a variety of stimulants followed by MCQs. The task for participating students would focus both on speed and accuracy.
- All the participants of Round Two would be issued an online participation certificate by the Board. Appreciation Certificate would be given to best performing students.

The class teachers of 8th to 10th may encourage students to participate in the CBSE Science Challenge as it would provide learners an opportunity to practice and demonstrate skills.

With best wishes!

Warm regards,
Rev. Sr. Ancy Joseph S H
Principal
